

PLASTIC BOTTLE RECYCLING

All Plastic food/cleaning jugs or bottles have a triangle on the
Bottom of them with a number inside of it

Currently MCSWA accepts #1 and #2's bottles only!!!!!!

One rule of thumb to remember is that if the neck is smaller than
The middle it is acceptable in our program!!!

Types of #1 Plastic Accepted:

Soda Bottles
Honey Bottles
Liquor Bottles
Dish Detergent Bottles
Antacid Bottles
Cold Medicine Bottles
Peanut Butter Jars
Ketchup Bottles
Mouthwash Bottles

Types of #2 Plastic Accepted:

Milk Jugs
Cider Jugs
Water Jugs
Juice Jugs (NOT CLEAR)
Rubbing Alcohol Bottles
Large Vinegar Bottles
Laundry Detergent Bottles
Fabric Softener Bottles
Saline Solution Bottles
Bleach Bottles

NOT ACCEPTABLE EXAMPLES:

No clam shell containers

Examples of this would be sandwich or salad holders

**NO MOLDED LARGE PLASTIC TOYS OR FORMED
CONTAINERS, NO BUCKETS
NO BLACK PLASTIC PERMITTED**
